

2009 National Order of the Arrow Conference Anpetu-We Lodge

The 2009 National Order of the Arrow Conference will be held **August 1-6** in Bloomington, Indiana on the campus of Indiana University.

The Order of the Arrow conducts a national conference with the purpose of giving Arrowmen additional opportunities for training, and opportunities to meet with members of other lodges from all over our country to share methods, ideas and fellowship.

Our Lodge has been allocated a maximum number of delegate spots and we have prepared a format for the selection of attendees, both youth and adult. Our hope is that all who wish to attend will be able to do so.

The Conference fee will not exceed \$515. This fee will include housing, meals, program, and support materials during the six-day conference. Transportation will be provided by the adult members of the Lodge who will be attending.

If you wish to be a part of our Lodge contingent, fill out the bottom of this page and return it with \$100.00 reservation fee by February 1, 2009. This reservation fee will be refunded only if you are not placed in the Lodge's contingent. A Class 3 Medical Form, with an exam done within 12 months prior to the event is required. The complete BSA uniform with Lodge neckerchief is the uniform for this event.

Please check our website (www.anpetu-we.com) for requirements for attendance, and adult selection criterion.
